

Organics Recycling

Organics Recycling Facilities

SOILCO NOWRA AND KEMBLA GRANGE FACILITIES ARE EPA LICENSED.

We accept garden waste and untreated timber from authorised commercial customers.

By tipping at Soilco you are reducing your waste disposal fees. You are also helping our environment by reducing the amount of waste going into landfill.

Site Addresses:

- 135 Wogamia Rd, Longreach, via Nowra.
- 61 Reddalls Rd, Kemplla Grange.

Acceptance Criteria

Presorted loads of the following materials are accepted at Soilco Organics Recycling Facilities.

Garden Organics

- Tree branches, grass clippings, prunings and weeds are accepted if pre-sorted from mixed wastes and excessive amounts of soil.
- Tree branches/timber must be less than one metre long and 150mm diameter. Timbers must not be chemically treated, painted or stained.
- Stumps and tree branches over 150mm in diameter and up to 3 metres long charged at a higher rate.
- Palm trees and fronds. Includes all palm trunks up to 150mm diameter and one metre in length.

Untreated Timber

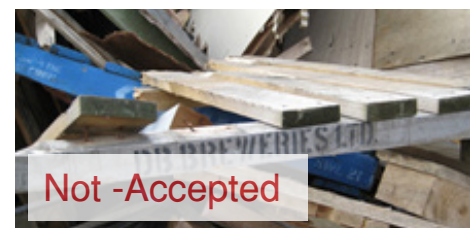

Timber Wastes must comply with the EPA definition of Raw Mulch. In particular, urban wood residues must be untreated, unpainted and uncontaminated timber collected as a separate source stream for processing.

- Wood packaging crates and pallets.
- Wood shavings.
- Untreated solid wood offcuts.
- Wood shavings and sawdust.

Garden & Timber Wastes must not contain:

- Asbestos.
- Engineered wood products such as particle board and plywood.
- Preservative treated or coated wood residues.
- Physical contaminants including but not limited to glass, metal, concrete, rigid plastics, flexible plastics or polystyrene.

Note: All loads are subject to inspection before tipping. Any loads with plastic, metal, concrete or brick contamination will be refused.

Organics Recycling

Organics Recycling Facilities

VENM (Virgin Extracted Natural Material)

Accepted Soilco Nowra Only.

- Bulk clean soil or stone from excavated sites.
- Must be free of any contaminants including broken concrete, asphalt, bricks, tiles or timber off-cuts.

VENM Certificate is required before tipping. Testing would be according to NSW EPA Environmental guidelines: Assessment, Classification and Management of Liquid and Non Liquid wastes (1999).

Prior to Tipping

Authorised customers only allowed into Soilco Facilities:

- Prior to tipping customers must call Soilco Head Office to obtain job number for weighbridge.
- Payment either by credit card or authorised account.

Tipping Instructions

- At Soilco Nowra; contact site supervisor on UHF radio in weighbridge office.
- For both sites, enter required information into weighbridge computer.
- Await instructions for inspection and tipping.

Safety Instructions

Safety instructions are for everybody's protection and must be followed at all times. Whilst on site we ask that you:

- Obey all speed limits & staff instructions.
- Do not smoke.
- Be aware of heavy vehicles on site.
- Wear appropriate PPE.
- Place your material in marked areas.
- Take care unloading.

Opening Hours - For Nowra and Reddalls Rd..

Monday to Friday: 7.00am to 4.30pm.

Closed weekends and public holidays unless prior arrangements are made.
